Important Notes:-

1. We have decided to charge an admission for this year's program, simply to estimate the attendance from our community. This helps us to plan and order the correct amount of food and drinks etc. This prevents wastage and reduces unnecessary costs.
2. It has always been our Suthar's dream to be able to have a Dada's Hall in the UK. For this, the buying of Lottery tickets (From the money donated for Lottery ONLY) has been agreed by the committee, so that any winnings can be used for the use of SVML ONLY. And with Dada's blessings, we may be able to achieve our dream one day.
3. The SVML Committee is now looking to register as a Charity Organisation. So we would like to welcome any suggestions or feedback from the whole of our Suthar community.
4. Any Suggestions or feedback for our Dada's Teras is welcome. So please feel free to contact any of the committee members.
5. As all the work (seva) is offered voluntarily, we are always in need for more volunteers to join the committee. If anyone wishes to join the committee in this good work, please contact any one of the committee members.
